Administration

Risk Management

- Early Warning
 - The C and PM give an early warning by notifying the other asap
 - Prices
 - Delay Completion
 - Affect quality
- Risk reduction meeting
- E.g., change in roundabout layout
- NEC Proactive risk management

Administration

- Compensation Event
 - Time frame and sanctions
 - Default acceptance if no reply
- NEC vs GCC
 - Quick settlement (pre-event agreement)
 - Unforeseen physical conditions, inclement weather – compensation events
 - TIME and COST

Observations

- Benefits
 - Good working relationship
 - Time & Cost savings expected
 - Compensation events
 - 80% agreed
 - From instruction toagreement 2 months
 - Early warnings
 - 15 early warnings issued
 - Resolved jointly and promptly

Observations

Problems

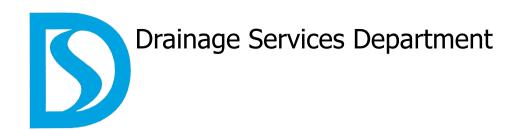

- Collaborative working at frontline level
 - Need time to adapt
 - Training and team building at start very important
- Compensation event
 - Time frame stringent, yet need to achieve
 - More resources expected in contract stage
- Subcontracting
 - Tendering requirements on subcontracting
 - Review, take into account practical difficulties

- NEC provides a framework which facilitates better project management
 - Time & cost savings, fairer risk sharing, better relationship
- Founded on collaborative and partnering spirit
- Has been successful on Fuk Man Road
- Prepare to try out more NEC projects

Thank You
