

Declaration of giving up effective period of previously revised TES rate

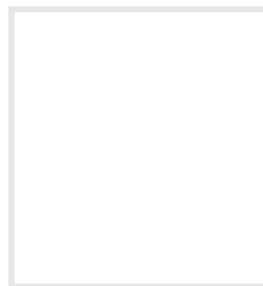

To: Drainage Services Department (DSD)

Account No. : _____

The Registered Consumer (R.C.) of the above account hereby declares to give up the previously revised TES rate of the above account, starting from _____.

I/We understand that DSD shall impose the standard rate as stipulated in the Sewage Services (Trade Effluent Surcharge) Regulation in the charging of TES on the above account while the previously revised TES rate will be void with effect from the above-mentioned date.

I/We also understand that DSD shall arrange for sampling on or after the above-mentioned date. After the completion of all sampling, if DSD accepts the result, the newly determined TES rate shall take effect from the above mentioned date or the beginning of the billing period during which the first sampling date and the respective COD results of the collected samples accepted by DSD falls, whichever is the later. If the sampling or application cannot be completed due to whatever reason, DSD shall impose the standard rate with effect from the above-mentioned date according to Sewage Services (Trade Effluent Surcharge) Regulation. The previously revised TES rate was void.
