Head: 39 – Drainage Services Department

Subhead:

2578

Programme: (1) Stormwater Drainage

Controlling Officer: Director of Drainage Services

Director of Bureau: Secretary for Development

Question: Regarding the continuation of the design and construction of nullah decking projects in stages, please advise:

- (a) the number and locations of nullah decking projects under construction (please list out separately);
- (b) nullah decking projects which are expected to commence in the coming 3 years (i.e. 2009-2011) (please list out separately).

Asked by: Hon. KAM Nai-wai

- Reply:
- (a) Four nullah decking projects are currently under construction. They comprise decking of the nullahs at Jordan Valley (Kwun Tong), Flower Market Road (Mong Kok), Tonkin Street (Sham Shui Po) and Queen's College (Causeway Bay).
  - (b) We plan to start the decking/improvement of nullahs at Rambler Crest (Tsing Yi) and Fuk Man Road (Sai Kung) in 2009-11. Subject to the approval of the Finance Committee, the improvement of nullah at Kai Tak (Wong Tai Sin) is also expected to commence in 2009-11.
